

Warranty policy for BAV Alligator Crusher Attachments

26 May 2009

BAV Crushers Limited guarantees all Alligator Crusher Attachments supplied by them against any defect in manufacture or assembly. Each of the company's authorised dealers is obliged to give the benefit of a similar warranty which is not transferable to the FIRST RETAIL PURCHASER of the new goods supplied by the company as follows.

TERMS & CONDITIONS OF SALE:

All trade is carried out subject to the terms of the BAV Crushers Limited "Terms and Conditions of Trade" copies of which can be provided on request and may also be found on our website.

WARRANTY PERIOD:

Main Chassis & Jaws: 24 months or 2,000 hours from invoice or delivery date, whichever is sooner.

EXCLUSIONS:

Parts subject to normal wear and tear are specifically excluded from any warranty cover and are listed below:

- Jaw Teeth
- Reinforcing cutters and blades
- Ram seals
- Damage to ram rod or guard

General wear to the engaging surfaces of the crusher or to the pivot pins and bushes is not covered under the terms of the warranty.

As referred to in our Terms & Conditions of Supply, in no event is there any entitlement to recover consequential losses under this warranty.

INVALIDATIONS:

The following may invalidate all or part of your warranty:

- Failure to follow maintenance schedules.
- Use of contaminated or sub-standard fuels and oils.
- Use of non-genuine parts.
- Unauthorised use of fitters not trained at BAV Crushers.
- The machine has been modified without authorisation of BAV Crushers.
- Use of attachment on larger excavators than stated in specifications.

CONDITIONS:

This is a parts only warranty. Wherever possible, the machine must be returned either to the BAV Crushers factory or to an approved dealer for warranty inspection and/or repair, by the customer.
